HURRICANE KATRINA NO PORK PLEDGE

I Chris Chabala of the 2nd district of the state of Indiana, hereby pledge to oppose any project or provision that is not directly related to the impact of Hurricane Katrina in any supplemental appropriations bill that provides funds for hurricane relief.

I agree that in a time of national catastrophe, it is the responsibility of the United States Congress to take quick and decisive action to help those in need.

I also agree that it is also the responsibility of the United States Congress to ensure the financial stability of the nation by being good stewards of Americans' hard-earned tax dollars.

Therefore, as Congress provides money to help victims in the Gulf States and to rebuild their lives and communities, I hereby promise the taxpayers in my district/state and the American people that I will oppose any and all projects or provisions unrelated to Hurricane Katrina in the supplemental appropriations bills.
